### EXPERIENCE

---

#### **Animation Supervisor - Flight Crew Productions** 02/2020 - 10/2020

- Lead, guided, and supervised the animation team for a short animated film.
- Developed characters and designed personality traits by creating visuals through animated tests.
- Previsualized and built layouts for all shots throughout the film, managed, and distributed shots to individual members of the animation team, including myself.

#### **Educator - Full Sail Labs** 05/2018 - 12/2020

- Developed curriculum for a variety of STEAM-based courses using 21st Century Skills.
- Mentored, coached, guided, and educated K-12 students to develop a “spark” or passion for becoming creators in the technological world.
- Built, trained, and lead a diverse group of artists into an effective team of educators with adaptability, empathy, and a positive mindset.

#### **Animator - REBL HQ** 11/2018 - 03/2019

- Completed 250 seconds of animation for the pilot episode of the animated series “Eggbots.”
- Animated shots containing 1-5 characters while achieving the director’s vision and hitting deadlines.
- Built professional relationships with the director, cast, and team through successful dailies, team meetings, and workspace communications.

### EDUCATION

---

#### **Cert. in Character Animation, 2021**

Animation Mentor | Character Animation Program

#### **Bachelor of Science, 2017**

Full Sail University | Computer Animation

### SOFTWARE & SKILLS

---

3D Animation	Autodesk Maya
Time Management	Adobe Creative Suite
Leadership	Procreate
Problem Solving	Zoom Video Comm.
Professionalism	Microsoft 365
Flexibility	Apple Iwork

### AWARDS & CERTIFICATES

---

#### **Course Director Award - Full Sail University**

Awarded for top-performing student work in all assignments for the course Visual Effects 1.

#### **Course Director Award - Full Sail University**

Awarded for top-performing student work in all assignments for the course Character Animation 2.

#### **Apple Teacher Certified - Apple**

Empowered by Apple to provide education and learning with all Apple products and software.
